

# President Wilson Appeals to Americans to Be Neutral

"The effect of the war upon the United States will depend upon what American citizens say and do. Every man who really loves America will act and speak in the true spirit of neutrality, which is the spirit of impartiality and fairness and friendliness to all concerned."—From President Wilson's address to-day to the citizens of the United States.

# BRUSSELS MENACED BY GERMANS; FIGHT RAGES NEAR IT ALL DAY

## FRENCH ARE SWEEPING ON IN ALSACE AND LORRAINE, PARIS WAR OFFICE REPORTS

Gen. Joffre, Commander-in-Chief of the French Army, Declares the Germans Have Retreated in Disorder and Abandoned Their Wounded.

PARIS, Aug. 18.—[Associated Press]—An official announcement says:

"All day Monday we continued to progress in Upper Alsace. The enemy's retreat from this side was in disorder. They abandoned everywhere their wounded and their stores."

This telegram was received at the War Office from Gen. Joseph Joffre, French Commander-in-Chief:

"In all the actions of the past few days the Germans have sustained serious losses, our artillery having demoralizing and frightful effects on the enemy."

"We have conquered the majority of the valleys of the Vosges upon the slope of Alsace, from where we will soon attain the plain."

"To the south of Saarburg in Lorraine, forty miles east of Nancy, the enemy had organized in front of us a strongly fortified position held by heavy artillery. The Germans retreated precipitately and our cavalry pursued them."

"In general we have obtained in the preceding days successes redounding to the greatest honor of the officers and men engaged in the battles."

The official communication to the French War Office adds:

"The French troops have occupied all the region to the west of Fenetrange, thirty-two miles inside the German frontier in Lorraine. Our troops poured through from the valley of the River Selle, of which a number of passes have been evacuated by the Germans. Our cavalry is at Chateau Salins."

PARIS, Aug. 18.—(United Press).—The War Office announces that a German monoplane flying a French flag passed over Lunéville, in the Department of Muerthe-et-Moselle, to-day and dropped three bombs. They fell in the public gardens, but did no particular damage and no one was hurt.

This is the fourth time that German aviators have dropped bombs in Lunéville.
